

SOME OF US RECYCLE, OTHERS COMPOST WASTE
SOME SAY NO TO PLASTIC IN THE CHOICES THAT WE MAKE
SOME SPEAK OUT AGAINST INDUSTRY, SOME BRAVELY MARCH IN THE STREETS
SOME SAVE MORE WATER, OTHERS EAT LESS MEAT
SOME CLEAN UP BEACHES AND RIVERS OR UPCYCLE CLOTHING AND SHOES
SOME ARE CHECKING ALL THE FACTS ON THE PRODUCTS THAT THEY CHOOSE
SOME PLANT HOME GARDENS, OTHERS TURN OFF THEIR LIGHTS
SOME BRING THEIR OWN BOTTLES, BAGS AND STRAWS, OTHERS RIDE THEIR BIKES
SOME BUY LOCAL OR SUPPORT ORGANIC FARMS
SOME FIGHT ENVIRO-INTERSECTIONALITY TO END RACIAL HARM
SO WHEN CORPORATIONS TRY TO FOOL US OR THE POLITICIANS LOOK AWAY
JUST REMEMBER YOU'RE NOT ALONE
IN THIS QUEST TO SAVE THE DAY
YOUR NEIGHBORS, FRIENDS AND FAMILY [AND THAT'S ONLY JUST A FRACTION!]
PEOPLE WHO KNOW THERE'S A BETTER WAY ARE TAKING REAL-LIFE ACTION
JUST PAUSE AND LOOK AROUND, YOU'LL SOON FIND YOUR FELLOW FRIENDS
BECAUSE THERE ARE MANY MORE THAN LESS OF US WHO WANT THIS WASTE TO END
SO WHEN YOU'RE MAD OR SADDENED BY ALL THE GLOBAL DEBRIS
JUST REMEMBER THE ONLY CHANGE THAT MATTERS
IS THE CHANGE WE WISH TO BE
